## ABOUT MT BULLER

Mt Buller is the most accessible major alpine resort in Australia, an easy and scenic three hour drive from Melbourne. When you arrive, you'll be greeted by a beautifully-situated alpine village that offers a breadth of experiences on and off the snow.

On the slopes, Mt Buller has Victoria's largest lift network of 22 lifts, and more than 300 hectares of patrolled ski area with over 80km of ski runs. The mountain has a great mix of terrain for skiers and boarders, from beginners to experts.

Our average annual snow depth of more than 1.3m and our state-of-the-art snowmaking infrastructure is backed by the reassurance of our Snow Guarantee.

Our Ski & Snowboard School is Victoria's largest, with over 300 friendly, professional ski & snowboard instructors from across the globe. We're also home to Subaru Victorian Interschool's Snow sports Championships every winter, the largest multi-discipline sports event in the Southern Hemisphere.

On top of all that, we have the most competitive kids pricing in Australia and generous group lift, lesson & rental packages.

\*Refer to our website for information on our snow guarantee.

## WHAT'S NEW AT BULLER

### NEW SNOW MAKING FOR 2017

Mt Buller is adding an innovative Techno Alpin SF 220 "Snow Factory" to its already hefty snowmaking arsenal for the 2017 snow season. The new \$1.6m investment can continuously produce snow 24 hours a day, 7 days a week and can do so at temperatures well above freezing. The 'Snow Factory' is capable of generating 220 cubic meters of snow daily at 15 degrees Celsius, which will enable Buller to begin snowmaking in May 2017 to guarantee skiing on Bourke Street for opening weekend. No other resort in Australia has the capabilities to produce snow at such high temperatures, nor can any other resort offer such an outstanding snow guarantee to ensure you can book your trip with complete confidence.

### NEW LOW AND HIGH SEASON PRICING

**High season** from 1<sup>st</sup> of July to 4<sup>th</sup> of September 2017

**Low season** from the 10th of June to the 30th of July, and the 4th of September to the end of the season 2017

We're now providing schools a new pricing structure in an effort to enhance mid-week and off-peak visits. As we all know peak periods (school holidays and weekends) can attract a large number of guests to the resort, to ensure your school has the best possible experience, we strongly recommend visits take place mid-week and/or during low season. This helps to guarantee access to Ski & Snowboard School and its instructors. As an increased advantage to off-peak visitations and first timer groups, The Ski School is now offering a 3-hour lesson option, at no extra cost to encourage schools to gain the most out of their time at Mt Buller.

### NEW FOR 2017! FREE SKIING WITH 5-DAY PRODUCT

Schools purchasing a 5-day snow product can now enjoy a free afternoon on the snow! Pick up your rental and lift passes from midday onwards the day prior to your product start date to make the most of this offer.

## BOOKING YOUR SCHOOLS TRIP

At Buller Holidays we are now able to organise every aspect of your schools trip, from **Lift, Lesson and Rental products**, to **Accommodation, Meals, Transport and Resort Entry**.

Follow the booking steps below to ensure your schools trip to Mt Buller is as smooth as possible. Should you have any questions or require any further information, please call our bookings team at Buller Holidays.

1. Familiarise yourself with the products we are able to offer to ensure you get the most out of your schools trip. For more information about Mt Buller visit [www.mtbuller.com.au](http://www.mtbuller.com.au) or [www.bullerholidays.com.au](http://www.bullerholidays.com.au).

2. To get your preferred dates and lesson times, it is vital that you book as early as possible to avoid disappointment. The ski and snowboard school conducts school group lessons at **8:30am, 10:00am, 11:30am and 1:30pm daily**. The morning lessons run for **1.5 hours** and afternoon lessons are **2 hours**. The 3 hour lesson option, available during off-peak periods will be conducted at **9:00am and 1:30pm**.

To assign students into these school group lessons we require at least 8 students of the same ability/ discipline, if you have less than 8 students they will be assigned into public lessons. If your students are assigned into public lessons, information on when and where your students will need to meet will be included in your confirmation letter.

Use the below guide to determine your students' abilities:

ABILITY	LEVEL NUMBER	DESCRIPTION
FIRST TIME SKIER OR SNOWBOARDER	1	Never skied or snowboarded before.
BEGINNER	2 – 3	Can link turns on green runs.
INTERMEDIATE	4 – 6	Comfortable skiing or riding in control on blue runs

*Please note: You may choose a preferred lesson time; however during peak times we may not be able to give you your first choice. The 1:30pm lesson time is a benefit during busy periods, especially for first time or beginner students as it often provides a more generous student to instructor ratio with an extended duration of 2 hours.*

3. Once you have chosen lesson times, dates and student/ teacher numbers download and complete the **2017 Schools Booking form**. Please ensure students full names, DOB's, chosen discipline, ability level and rental data is included on the booking form. We require this information to create a booking for you.

If you are interested in any of the additional products Buller Holidays are able to offer you; Transport, Gate entry, Accommodation or meals. Please select the drop-downs on the booking form, a Buller Holidays agent will contact you with information and applicable quotes.

*Please note: Free of charge teachers are at a ratio of **1:8** for secondary students and **1:5** for primary students (Lift, rental and lunch can be included for a FOC teacher.)*

4. After completing your booking form with all the requested information, send it through to us at [bookings@bullerholidays.com.au](mailto:bookings@bullerholidays.com.au) for us to create your Schools order. We also require a signed copy of the **Acceptance of all Terms and Conditions and Acknowledgement of Ticket Waiver** (Found on the last page of this planner) to be emailed though to us with the booking form.

*\*A Buller Holidays agent will contact you if there are any issues in regards to availability.*

5. Upon entering your booking into the system Buller Holidays will issue you with a **confirmation letter**. An invoice will also be generated at the time of confirmation; you can expect to receive the invoice within 2-3 business days. The **full booking amount** must be received **14 days prior** to your arrival; if full payment is not received your reserved lessons will be released and your order cancelled.
