COMMERCIAL SNOW LIMO OPERATOR LICENCE

This application is for a Licence to conduct an organised commercial Snow Limo service on Crown Land, to access the Mt Buller Village and Mt Stirling.

OBJECTIVE

The Commercial Snow Limo Operator Licence trial aims to encourage the development off-mountain parking locations as a base from which to transport visitors to the Resort (comparable to off-site airport parking for example), and to allow premium services for visitors wanting to be transported from off-mountain directly to/from their accommodation or the snow zone.

Day visitors must be delivered/collected from a designated location in the village set by the Resort Management Board (RMB). Overnight visitors are to be delivered/collected from their accommodation. Vehicles transporting day visitors will be allowed to park at the Horse Hill (Mt Buller) or Telephone Box Junction (Mt Stirling) day visitor parking areas subject to availability. Vehicles transporting overnight visitors must leave the mountain or utilise their on-site parking bay within the village (if holder of the appropriate on-site parking permit).

Anyone with an on-site parking permit can apply for a Commercial Snow Limo Operator Licence at no additional charge. If you don't have an existing on-site parking permit, \$800 per vehicle is payable for the 2019 Season for the Commercial Snow Limo Operator Licence. In addition, Licencees will be required to pay \$20 per adult passenger and \$15 per child to the RMB (via the agent portal nominated by the RMB). Application

A Licence is required by people or businesses who conduct organised tours or recreational businesses for profit within the Mt Buller and Mt Stirling Alpine Resorts under the *Crown Land (Reserves) Act 1978*.

The decision to grant a Commercial Snow Limo Operator Licence and any associated conditions is at the discretion of RMB.

Licensing Process

Phase 1:

- Application or renewal received by RMB for review;
- Operators should ensure a complete application is submitted in the first instance.

Phase 2:

- Application declined or approved;

- Operator to submit signed Licence and pay invoice within 14 days.

Phase 3:

Details of public liability insurance

It is a condition of a Commercial Operator Licence that the Licensee keep and maintain a public liability insurance policy covering the activities of the licensee for the term of the licence. The level of insurance must be at least \$20 million for any one claim, but a requirement for a higher level of coverage may be imposed if the Licensor considers it appropriate. The Licensor may also request any other insurance policies that a reasonable person conducting the activities of the licensee would maintain.

The applicant must provide evidence of public liability insurance (**Certificate of Currency**) with this application which confirms the Licensor (Mt Buller Mt Stirling Resort Management) as a relevant party. This text **must** appear on insurance certificate:

"Mt Buller and Mt Stirling Resort Management and Other Relevant Parties"

(Other Relevant Parties means the Minister, Resort Management and any successor manager of the Resorts, the Crown in right of the State of Victoria, the Secretary, and any other authorised delegate from Resort Management)

This text must also appear on the insurance certificate:

- the name of the insured;
- the name of the insurer;
- the scope of the activities covered by the insurance;
- the period of insurance
- limits of indemnity; and
- any other policy condition, endorsement or exclusion relevant to the activities and operation of the licence.

Please note this differs from DELWP and PV Tour Operator Licence requirements. Please ensure correct spelling and wording on your Certificate of Currency.
