### THE INSIDE LINE

Some hot tips from the locals:

- Pre-book your Blue Dirt shuttle, jump online and guarantee your seat on the bus, plus this also helps the crew at Blue Dirt ensure the right number of vehicles are here to offer their uplift services
- Follow the Bike Buller logos to the trail head! Out for a lap on the Epic trail or a spin around Gang Gang's? Look for the orange Bike Buller circle logo and arrows on the Buller Road to lead you past the Village Clocktower and to the XC trailhead on The Avenue.

### TRAIL CREW RIDE OF THE WEEK

Trail of the week is **Misty Twist**, a local favourite XC loop over on Corn Hill. The Trail Crew are currently refurbishing the climbing segment of this trail making things way easier on the way up!

### TRAILFORKS

Do Planet Earth a favor, don't take a paper map, instead download our favorite MTB trail app [TRAILFORKS](#) to your mobile device.
