Enjoy the journey

Getting to Mt Buller is easy. Make a road trip of it or take a coach – either way, we'll see you up here soon!

WHERE IS MT BULLER EXACTLY?

It's the easiest major alpine resort to get to in Australia and you'll find us just 3 hours up the road from Melbourne.

SELF-DRIVE

It's a beautiful drive up to Mt Buller through scenic valleys and along country highways. Allow some time for stops along the way at quaint towns and cafes, and in case of wintry driving conditions.

WHEEL CHAINS

All vehicles entering Mt Buller or Mt Stirling must carry wheel chains. Wheel chains must be carried from Mirimbah entry onwards. A number of outlets rent wheel chains in Mansfield and will show you how to fit them.

SNOWPLAY EXPRESS PARK & RIDE

Great news for day visitors - drive to Mirimbah at the bottom of the mountain, park the car and let the Snow Play Express coach deliver you to the village.

No wheel chains, no snow driving and no fuss. **Available on weekends in July and August.** Enjoy the convenience and book online before your visit to reserve a seat > mtbuller.com.au

KICK BACK ON A COACH

Let someone else take care of the driving while you relax and enjoy the scenery on one of the many coach services to the resort departing daily from Melbourne City and Tullamarine Airport. It's a great way to get to the slopes in comfort and relax on the ride home.

Search coach at mtbuller.com.au for a full list of operators and to book.

TIP

Mansfield is a bustling town 45kms from Mt Buller and is the ideal place to stop for a snack, rent snow gear and collect wheel chains. Why not make time on the way home for a delicious pub meal?

Ride the Lift

Half the fun of skiing down the slopes is the journey up on the lift - you'll need a B-TAG which is your ticket to ride.

A B-TAG is your access pass for the lifts at Mt Buller. Keep it in your jacket pocket (away from your phone) and it automatically scans to let you on the lift.

BUY your B-TAG ONLINE when you pre-purchase your lift pass and collect it at the Village Ticket Office or any Buller Sports store.

Keep it as a memento and ask the ticketing staff about how to create a profile so you can reload your B-TAG online ready for the next time you visit!

Not sure how to ride the chairlift? Ask our Lift Operations staff for help and they can show you how.

Snow Speak

Your first visit to the snow can feel like you are in another world - so here's a few phrases to make you sound like a local!

Let's do après

From the French après (after) and used to refer to catching up for a drink or a snack 'after skiing'. Après can happen anytime!

Bourke Street

The name of the main run into the village. There aren't trams but it can get busy in 'peak hour' so look both ways, ski in control and give way!

Kooroora

Pron 'Kuh-roo-rah' this is the local 'pub'. Hosting snow revellers since the 50's, the tradition continues in an updated venue in the village centre. Stop in for a hearty meal and a drink. Dance 'til late in the night club.

Shredder

Refers to snowboarders who 'go shredding' on the slopes. "Let's shred"

Dumping

Snowing heavily. We hope it will be dumping for your visit!

Pow

Short for powder. Light, fluffy snow. We hope it will be dumping pow for your visit!

- Look up - snow and ice can slide off rooftops
- Stay in control on skis and toboggans
- Only ever toboggan in the snowplay parks - NEVER on ski runs or near roads
- Only ski or snowboard in permitted areas

- Use safety equipment including helmets
- Ask for help to ride the chairlift safely
- Dress warmly
