

Summer

MUST DO MOUNTAIN BIKING

Cross-country

With over 120kms of international quality cross-country mountain bike trails between Mt Buller and Mt Stirling, we have trails for all levels of riders and abilities. Whether you're looking for a fun little loop around the Village with the kids or want to try something more challenging like the 50km Australian Alpine Epic, our trail network will get you hooked in no time.

Gravity

With five shuttle-assisted gravity options, these trails are not for the faint-hearted and will be sure to get the heart pumping! With a variety of challenging features including berms, rock gardens and road jumps, the trails will definitely keep you on your toes as you speed through the trees.

ROAD CYCLING

Feel the satisfaction of climbing 16kms and 921ms from the valley floor at Mirimbah, up the winding Mt Buller Tourist Road to the views from our alpine village. Take a selfie with our new sign in the Village to show off your time.

GET OUT YOUR DIARY

Throughout the summer season, help us celebrate everything Mt Buller and Mt Stirling have to offer from long-distance running races, mountain bike events, a food and wine festival and more! Head to mtbuller.com.au for the full event calendar.

EXPLORING THE TRAILS

Explore Mt Buller and Mt Stirling on your own two feet! Pick up a trail map or go for a wander through the Snow gums or Alpine ash forest. Experience breathtaking views from the summit as you take in 360 degree views of the resort.

ADVENTURE TIME

Just out of the resort in the beautiful High Country lies even more to explore! Take a trip to the iconic Craig's Hut via horseback or 4WD. Alternatively, pack your backpack and go for overnight hike - adventure is around every corner!

GNOME HUNT

Visit Mt Buller's cheeky year-round gnomes. Located throughout the Village, these gnomes can be found swinging in trees or lounging on top of bird boxes.

BOUNCING FUN

Buller Air Zone is open all year round and is the perfect activity for all ages. Master new tricks and flips on the Olympic size tramps ahead of the winter season, test out the giant inflatable air bag or scale the rock climbing wall to your heart's content.
